

HELP US TO HELP THEM

SPONSOR A CAT OR SMALL ANIMAL PEN.

For a nominal sum you can sponsor a cat pen (£3.50) or a small animal pen (£2) for a week and so help with the cost of caring for the occupant. This small amount will mean a lot to us and you won't even know it's gone.

Each year RSPCA Isle of Thanet Branch rehomes abused and abandoned companion animals from the Animal Centre. Our policy is not to put animals to sleep unless they are seriously ill, following a Vet's advice, or on the grounds of temperament which would make them unsuitable to live in a home. These occasions are kept to a minimum and such difficult decisions are only taken when all other options have been exhausted. By carefully controlling expenditure we keep the cost for each animal passing through the Centre to a minimum. However, veterinary care is costing us much more each year and we are desperately in need of your help.

A certificate with your name on will be displayed on one of the animal pens. If you wish to sponsor a particular animal please let us know on the form below.
